

## Extension Material 5.2

### Jeffrey Pfeffer on leadership

Listen to Jeffrey Pfeffer explain his ideas on leadership, which are presented in his book *Leadership BS*, at <https://www.youtube.com/watch?v=pFXcqSUi3EI>

Pfeffer is being interviewed by a senior executive in Google. In the question-and-answer session, Pfeffer criticizes several important 'myths' about leadership, and argues that much of what is taught about leadership is inconsistent with the reality of how successful leaders behave.
