

Chapter 16 Web Links

[Extracellular Matrix](#)

<http://themedicalbiochemistrypage.org/extracellularmatrix.html>

Summary of the molecules in the mammalian extracellular matrix.

[Tight Junctions](#)

<http://www.biology-pages.info/J/Junctions.html#tight> Overview of animal intercellular junctions, with reference to alterations in cancer.

[Plant Cell Walls](#)

<http://www.ccrc.uga.edu/~mao/intro/outline.htm>

Plant cell wall structure, assembly, and function.

[Gap Junctions](#)

<http://www.vhlab.umn.edu/atlas/conduction-system-tutorial/gap-junctions.shtml>

An overview of the role of gap junctions, with an emphasis on heart muscle.
