Student Registration

To register for our Learning Cloud course, students must follow the one-time registration process at **[YOUR UNIQUE LEARNING CLOUD COURSE URL]** to establish a Learning Cloud account and register into our course. During the registration process, students will be asked to redeem an access code which may have been purchased with the text or separately at the school bookstore. Students without an access code can also choose to purchase access to Learning Cloud directly with a credit card or begin a free trial during the registration process.

Note: all NEW print and digital copies of *Discovering Music* include a one-time-use access code for Learning Cloud.

Follow these 3 simple steps to register and begin using Learning Cloud!

Step 1: Navigate & Login

Instructor Syllabus Guide: Starr

- First, visit the unique URL for our Learning Cloud course: [YOUR UNIQUE LEARNING CLOUD COURSE URL]
- Within the course, you'll be prompted to either login or create an OUP Instructure account.

Step 2: Activate Access

- Once you login, you're in the course. However, the first time you encounter 'locked' content, you'll be prompted to gain access by entering a redemption code, purchasing access, or starting a free trial.
 - If you select "Redeem an access code", you'll be prompted to enter the code you received with the purchase of your book or through your bookstore and then hit "Redeem". You'll then have access for the duration of time denoted with the code.
 - If you select "Purchase access with a Credit Card", you'll be prompted to checkout with PayPal. You will notice that much of the information has been populated for you already.
 - When you've finished entering your information, click "Continue".
 - You'll then see a purchase summary screen. Continue on to purchase access through PayPal.
 - If you select "Begin a trial", you'll be prompted to redeem an access code or purchase access if you attempt to access locked content after the completion of the trial period.

Step 6: Use

After gaining access to 'locked' content, you're now able to begin using Learning Cloud!
