Introduction

Welcome to Learning Cloud by Oxford University Press! To help you get off to a smooth start this term, this Student Quick Start Guide will cover the need-to-know information about using and accessing your Learning Cloud course.

Who We Are

At **Oxford University Press**, **content comes first**. We create high-quality, engaging, and affordable digital material in a variety of formats to meet your unique course needs.

What We Offer

Learning Cloud for *Engineering Economic Analysis*, 14th Edition, delivers engaging learning tools within an easy-to-use cloud-based courseware platform.

Learning Cloud was designed to be **streamlined**, **intuitive**, and as **clear** as possible. The platform is also supported and administered by Oxford University Press, so you can focus on learning.

Student FAQ

Welcome to Learning Cloud by Oxford University Press!

To help you get off to a smooth start this term, this Student FAQ will address some frequently asked questions about using and accessing the Learning Cloud course for Newnan's *Engineering Economic Analysis*, 14th Edition.

Q: How do I register for my *Engineering Economic Analysis* course?

A: Follow the 3 simple steps listed in the [Register for Your Course](#) section to register begin using Dashboard.

Q: What technical support resources are available to me?

A: Our dedicated **Digital Support Team** is available by phone and email to assist students with technical questions. For support regarding Oxford content or gaining access to Oxford content, contact our Digital Support Team at:

- **Email:** LearningCloud.Support@oup.com
- **Phone:** 855-281-8749
- **Website:** <https://oup.softwareassist.com/>
- **DigitalSupport Hours:**
 - Monday–Friday: between 9:00am–11:00pm (EST)
 - Saturday: between 11:30am–8:00pm (EST)
 - Sunday: between 11:30am–11:00pm (EST)

Q: Is student access to the Starr/Waterman Learning Cloud course included with my copy of the book?

A: **Yes! All new print and digital copies of the text automatically include a one-time-use access code that allows students to unlock Learning Cloud for no additional cost.**

Student FAQ

Q: How long can I access my *Engineering Economic Analysis Learning Cloud* course?

A: All enrollments have access to their Learning Cloud for **the duration of your course**.

Q: Is it really worth accessing Learning Cloud for this course?

A: Yes! Learning Cloud's premium digital assets takes your learning to the next level and will help you succeed in your course. These digital learning solutions provide a variety of resources, exercises, and activities that drive and promote student success.

Q: Which internet browsers best support Learning Cloud use?

A: Learning Cloud works best with **Chrome** and **Firefox**. Use of Internet Explorer is strongly discouraged.

Q: What do I do if I am having problems logging into Learning Cloud?

A: If you cannot remember your password, you can follow the "[Forgot your password?](#)" link on the [Dashboard login page](#) to **recover your password**. Enter your username and press submit and you will receive a password reset email to the email address associated with your account.

If you do not receive the email in a few minutes, this could be because you mistyped your username, your account's email address is not set or is incorrect, or the email was delayed or routed to your junk email folder. Check your Spam and Junk folders for the email. If you cannot find it you will need to contact Dashboard Support.

The fastest way to get a response is by [submitting a new incident](#). Please be sure to include your Learning Cloud username in your request.

You can also contact the Digital Support Team by phone at **855-281-8749**.

Student Registration

How Students Will Register for Your Course

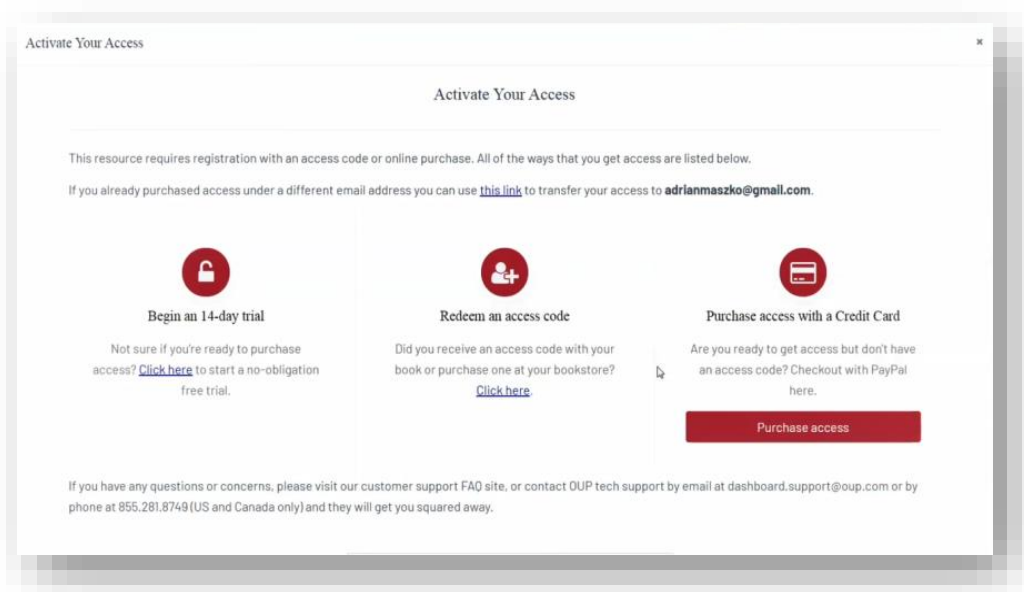

Follow these 3 simple steps to register and begin using your Learning Cloud course!

Step 1: Navigate & Login

- First, visit the unique URL for your Learning Cloud course provided by your instructor.
 - For example: <https://oup.instructure.com/enroll/XXXXXX>
- Within your course, you'll be prompted to either login or create an OUP Instructure account.

Step 2: Activate Access

- Once you login, you're in the course. However, the first time you encounter 'locked' content, you'll be prompted to gain access by entering a redemption code, purchasing access, or starting a free trial.

Student Registration

- If you select “Redeem an access code”, you’ll be prompted to enter the code you received with the purchase of your book or through your bookstore and then hit “Redeem”. You’ll then have access for the duration of time denoted with the code.

Activate Your Access ✕

Did you receive an access code with your book or purchase one at your bookstore?

Your access code is 16 characters, not including hyphens, and is not case sensitive. Access codes may typically only be redeemed only once. If you purchased a used book or rented a book, the previous owner may have already redeemed the code. If so, you can still purchase access here using your credit card or ask your local bookstore if they stock standalone access code cards.

Redeem

[Click here](#) to return to all of the ways that you get access to this and other protected resources.

If you have any questions or concerns, please visit our customer support FAQ site, or contact OUP tech support by email at dashboard.support@oup.com or by phone at 855.281.8749 (US and Canada only) and they will get you squared away.

Student Registration

- If you select “Purchase access with a Credit Card”, you’ll be prompted to checkout with PayPal. You will notice that much of the information has been populated for you already.
 - When you’ve finished entering your information, click “Continue”.

Activate Your Access x

Are you ready to get access but don't have an access code? [Checkout with PayPal here.](#)

Complete the form below to complete your purchase on PayPal.com. No account is required for this process, you may choose to use one or checkout as a guest. If you meant to redeem an access code to access these protected resources please click [here](#).

Student Registration

- You'll then see a purchase summary screen. Continue on to purchase access through PayPal.
- If you select "Begin a trial", you'll be prompted to redeem an access code or purchase access if you attempt to access locked content after the completion of the trial period.

Step 6: Use

- After gaining access to 'locked' content, you're now able to begin using Learning Cloud!

Getting Acquainted with Your Resources

What You'll Find in Your Course

Learning Cloud for Newnan's *Engineering Economic Analysis* includes:

- A new **Enhanced eBook**
- **Problem-solving videos**
- A **student study guide** containing more than 400 problems solved in step-by-step detail
- A **gradebook** that allows you to track of your progress in real time
- **End of Chapter Problems** that help you develop solutions on your own, then check your approach by revealing the answer

Note that activities and quizzes completed in the eBook are for self-study and do NOT report to a gradebook. Results will only be recorded for assessments assigned and accessed through your Learning Cloud Home or Assignments screen.
