

Quickstart Guide Oxford Learning Link Resources

Welcome to Oxford University Press's digital resources! To help you get off to a smooth start this term, this Student Quick Start Guide will cover the need-to-know information about using and accessing Oxford's digital resources.

Navigate

Log in: First, log in to your campus Learning Management System (LMS) and access your course.

Locate: The Oxford University Press resources will look a lot like the other resources in your course; however, the first time you encounter one that's protected you'll be asked to Activate your Access.

Activate

Redeem Code: Enter the code you received with the purchase of your book/ebook or that you purchased separately from your bookstore. Click "Redeem," and you'll have access for the duration of time denoted with the code.

Direct Purchase: You'll be prompted to checkout with PayPal. Complete the requested information then click "Continue". Continue, again, at the purchase summary screen to purchase access via PayPal.

Trial Access: You will be prompted to redeem code or purchase at the end of the trial. All of your work during the trial period will be saved!

Register

NOTE: If choosing the Direct Purchase option, make sure to register with the same school email address associated with your LMS account and NOT with a personal email address!

Use

Begin!: Return to your course in your campus LMS. Try opening the same resource that had been locked before. Notice that it's no longer locked!
