

Quickstart Guide Oxford Learning Link Course

Welcome to Oxford University Press's digital resources! To help you get off to a smooth start this term, this Student Quick Start Guide will cover the need-to-know information about using and accessing Oxford's digital resources.

Navigate

Unique URL: First, visit the unique URL for your Learning Link course provided by your instructor.

Login: Within your course, you'll be prompted to either login or create an OUP Instructure account.

Unlock

Unlock Content: Once you login, you're in the course. However, the first time you encounter 'locked' content, you'll be prompted to gain access by entering a redemption code, purchasing access, or starting a free trial.

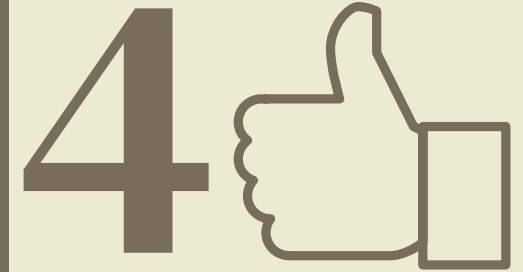

Activate

Redeem Code: Enter the code you received with the purchase of your book/ebook or that you purchased separately from your bookstore. Click "Redeem," and you'll have access for the duration of time denoted with the code.

Direct Purchase: You'll be prompted to checkout with PayPal. Complete the requested information then click "Continue". Continue, again, at the purchase summary screen to purchase access via PayPal.

Trial Access: You will be prompted to redeem code or purchase at the end of the trial. All of your work during the trial period will be saved!

Use

Begin!: After gaining access to 'locked' content, you're now able to begin using your Learning Link course!
